Dear Customer,

It is the season for our annual Holiday sale. It is time to be excited about. THANK YOU FOR YOUR RELIABILITY AND SUPPORT THROUGH THE NEW YEAR!

Come visit us on Saturday December 2nd. Our stores will remain open for business and we will have snacks and plenty of refreshments. Visit us at least 7:00pm to celebrate the Christmas season and say thank you.

On Sunday April 12th we will have more information once we confirm the location and join our mailing list for updates (ask us at myflyshop.com and sign up on our website).

This year Catherine will be "S" and Ryan will be "M". For more information on our trips please contact Catherine or Ryan at our Surrey location.

And we all thought last year's numbers were incredible. This year's numbers have not been reflected in the head numbers. Many anglers had fantastic trips and created memories. Mild temperatures have made us worried about a drop in numbers. Still water anglers with early ice off and consistent catches.

On to the business side of things and most importantly Canada and the USA is a mess. Tariffs throughout the global commodities entering the USA, created a substantial impact. There are a few companies insulated from this but hooks, leaders, and flies will remain the same as price point rods, reels, and waders are 25% or more price increase.

NEW PRODUCTS highlights for the upcoming season! Spring and the new Gabe's series of rods. Winston Air 2 TH using durability, and creating tapers designed for maximum performance. Incredible blanks with no bells and whistles. Concise and simple design. The frill series is a simple one frame with excellent options of Zeiss. Torrent MD lines slowing your fly down. We have our lineup of YETI that we feel compliments a fly. And, not to mention our fly shop. River Saltwater. Next level of comfort. Line of 40UPF shirts and hoodies. I think fishing CROCS!! Comfort and convenience for all.

A PDF version of this flyer is available on our website and used items. If you see anything you like on our website and fly lines we have much more than we can print to browse. Call 604-712-2833 (800) 568-8322 or myflyshop.com for more information.

Warmest holiday wishes from Dave, Ryan, Tim, Catherine, and Liam
