Wishing You All
A Very Merry Christmas &
Joy Filled New Year

www.myflyshop.com

Dear Customer,

First off, on behalf of the staff at Michael and Young, we would like to wish you and your families a heartfelt Merry Christmas! 2021 is right around the corner and with it, hopefully a future in which we can travel and FISH! Thank you to each and every one of you whom has supported us. It has been a roller coaster of a year. COVID has caused added stress in all of our lives and at its onset had us guessing about our future in retail. Luckily for us fly fishing is a great way to get outside, to recharge batteries, to decompress, to allow our thoughts to focus and to find space. Coupled with the fact we were not able to easily travel outside of our province, many of you went fishing! And many of you shopped with us before you did, making our sales year a great one. Thanks again for your support.

Normally we host a customer appreciation Christmas Party in December but sadly this cannot happen in our current state of affairs. Instead we are going to give a little back in the form of a thank you raffle throughout December. We will have weekly draws through each of our 3 "locations" Surrey, Vancouver, and Mail Order. Every purchase of \$50.00 or more throughout December gives you a chance to enter. Week One—Fly Tying Kit or \$50.00 in flies. Week two—choice of Scientific Angler Amplitude Fly Line or \$100.00 in flies. Week three—choice of Rio Elite SlickCast fly line or \$100.00 in flies. For week four everyone will go back in the draw for these killer prizes: for each of Surrey and Vancouver a Hardy Demon Switch 11' 6/7 rod, Waterworks Lamson Liquid 4 3-Pack reel and spools, and Skagit head, mono running line or \$200.00 in flies; for mail order: a Fenwick FenLite Streamflex 10' 4 weight fly rod, Waterworks Lamson Liquid 5+ Reel and Scientific Anglers Frequency Line or \$200.00 in flies.

For 14 years in a row we have held an annual Spey Day. This last spring we had to cancel it and we have all missed it terribly. Currently it is hard to imagine our province at a place where we will be able to host this event in spring 2021 but we have not given up on the chance entirely as of yet. Join our e-mail list for updates (send an e-mail to sales@myflyshop.com and ask to join our mailing list or sign up on our website).

We were essentially stuck in BC this year and our Stillwater fisheries were a busy place as a result—what better way to get fresh air and keep our distance from others that to be out on a lake in our own boats! From April until November we had reports from around the province of great fishing and we hope you had some yourself. The 2021 Stillwater season promises to be amazing and although it is months away and we are all trying to refill our fly boxes.

If your fishing in British Columbia next year, do not forget our freshwater rivers. Some of the most spectacular fishing and scenic places lay at our doorstep. Here are a few from around the province to help plan your next adventure: The Elk, and Cowichan (Vancouver Island); Skagit (Lower Mainland); Thompson, Mahood, Clearwater, Canim (Thompson-Nicola); Elk and St. Mary's (Kootenay), upper Dean, Blackwater, Horsefly and Chilko (Cariboo-Chilcotin); Stellako (Skeena); Nation, Peace (Omineca/Peace); Similkameen (Okanagan). These may require a bit of effort to get to but are stunning places with incredible wild fish.

A Christmas Island 2021 is trip is very unlikely but we are keeping the lines of communication with Kiritimati and the airlines open, hopes of a vaccine are high, and travel will resume at some point in the future. I have a list of names for 2021 and 2022 so if you have any interest please call the shop and get added to our wait lists!

Another year and a few new faces. We hope you have had the pleasure to meet Aaron Winstone and Jordan Maguire. If not come visit our Vancouver location and say "HI".

A PDF version of this flyer is posted on our website. This years sale flyer is packed with amazing deals on new and used items. If you see anything you like contact us quickly before it's gone. When it comes to clothing and fly lines we have much more than we can print here so please visit our website (www.myflyshop.com), our stores, or give us a call toll free at (800) 663-6407, (604)588-2833, or e-mail us (info@myflyshop.com) for more information.

Sadly we are bearing witness to an increasingly alarming decline of wild steelhead throughout our province and the west coast of North America. We need to band together and try to help these amazing fish, the rivers, the communities and people that depend on them and our chances to keep fishing for them in the future. If you are not already involved, there is no time like now to find and add your voice to a non-profit organization working towards protecting the resource and educating themselves and the people. Some active organizations within our province include the BC Steelhead Society, Pacific Salmon Foundation, FRSA, Skeena Wild, Freshwater Alliance, Sport Fishing Institute, BC Federation of Fly Fishers and Pacific-Wild to name a few.

*Warmest holiday wishes from Dave, Ryan, Lawrence, Tim, Catherine, Pierre,
